Encls 6 Records

Date 30th June 1945.

To

The Legal Remembrancer

& Secretary to Government,

Law Department, Bangalore.

Sir

Sub - Providing Sylk pattern drains in Shikarpur town at an estimated cost of Rs.7086/- according sanction of Government to the Scheme - Drainage of the town - Improvement Grant of of Rs.3,000/- sanctioned for the purpose during 1944-1945.

-oOo-

I have the honour to state that Government in their order No. L 6165-8-M1.68-44-2 dated 21st December 44 sanctioned a grant of Rs.3000/- to the Shikarpur Town Municipality for providing "V" shaped drains in the several streets of the Town.

The Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, who was requested in the matter of furnishing a comprehensive drainage scheme to the Municipality has furnished a Scheme which is estimated to cost Rs.7086/- The report accompanying the Estimate discloses that it is proposed to construct Sylk pattern drains in Shikarpur town to a length of 3,345 Rft. including Street and main drains, which is in conformity with the comprehensive drainage Scheme. It is stated that the rates provided are in conformity with the rates in the comprehensive Estimate.

The Municipal Council at its meeting held on 29-6-45 has passed a resolution to the effect that pending approval of Government sanction be accorded to the estimate by the Municipal Council.

As regards the question of financing the Scheme, the Municipal Council has further passed a resolution to the effect that, the cost of Drainage work in question might be met from the following sources, viz:-

1. Out of the Town Improvement Grant sanctioned by Government for drainage works during 1944-45.	Rs.3,000/-
2. From out of the closing balance at the credit of the Municipality.	4,086/-
	Total cost Rs.7086/-

The Municipal President reports that on 1st June 1945, the Municipal Council had a closing balance of Rs.12,814-15-1 at its credit.

I write to state in this connection that as the Estimate in question was received by the Municipal President, Shikarpur Town Municipality only on 27-6-45, (from the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore) he could not take action to draw the Government Grant of Rs.3000/- sanctioned for the purpose. He adds that the Government Grant of Rs.3000 will lapse, if he is not permitted to draw the same before 30-6-45.

According to para 2 of the Comptroller's Circular No 424/

Comptroller's Circular No.424 dated 4th Feb. 1941, no bill for drawing the Government Grant should be countersigned, unless an estimate has been sanctioned and the work is taken up for execution.

In view of the fact that it is reported by the Municipal President that the Estimate in question was received by him only on 27-6-45, and that the grant of Rs.3000 will lapse if it is not drawn before 30-6-45, I have in anticipation of sanction of the Estimate by Government, issued instructions to the Municipal President to draw the amount as a special case and to adjust the same to 17(a) PW-Deposits.

In the circumstances, I request that orders of Government may kindly be obtained on the following points:-

1. To accord administrative sanction of Government to the Estimate i.e. for Rs.7086/- prepared and furnished by the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore.

2. To approve my action, in having permitted the Municipal President, Shikarpur to draw the Government Grant of Rs.3000/- pending receipt of sanction of Government to the Drainage Scheme in the circumstances explained above and

3. to permit the Shikarpur Town Municipal Council to meet the balance cost of Rs.4086/- from out of its funds.

The relevant Estimate plan and other enclosures received from the President, Shikarpur Municipality vide his report No.MC.24/44-45 dated 29-6-45 are forwarded herewith for favour of perusal.

I have the honour to be,
Sir,
Your most obedient servant.

for Deputy Commissioner,
Shimoga District.
